Er, what!?

Hmm, about one minute!
That was amazing, Todoroki! How long have you been playing volleyball?
Ah, no! It's been a whole hour since I saw the video of the match!
being with her now is far more...
Hey, Kurucchi!
Compared to yesterday.
Ay...

playing erotic games.
Mmm.
shlick...
shlick...
I found some games in the corner of a pawn shop. I bought them, and then...
I can't... keep my voice down!
Seeing cute girls lose their minds in pleasure is a serious turn on.
shlick
shlick

I'm pretty plain, ond there's nothing reolly interesting obout me.
I must've gotten hooked on how brilliont the girls on my screen were.
Ah
Ahh

Ahh♡
Aah♡
Fwha...?
Hee

Well.. if you just called me a perverted girl, it's not like I could... orgue?

Hey there, nice to meetcha!
Mind if I drop in for a sec?
Do ya?
Er... What? Who is that!?
Wait, before that...
Never mind that...

Aren't I on the third floor!?
Rattle rattle...
Oh! Thanks for opening up.
Hey!
Hm?
Ohh?
That's what they call a "computer," right!?
Y-Yes...
That's awesome! How cool!
EXCITED
EXCITED
Yeah...
Seriously, who the hell is this girl...?

My name's Todoroki Sourin!
You can call me Rin-chan!!
Badump...
Ohh! You could call me Rin-chan-san, too!
What is she, a mind reader!?
No, no, no! She's brimming with confidence, and can't take a hint! The worst kind of girl for me to deal with!
And why is she giving herself her own nickname...?
Ah-

I've got people waiting for me, so I'm gonna head out.
Right...
Ahh,
I forgot to mention this.
You better put your panties on right, or you'll get an upset stomach!
I'm sure it's because of my hobbies and my personality, that in both school and the dorm...
What was with that girl...
トボ…
トボ…
ゴッ!!!

Did you hear about the transfer student?
Luckily, there's no one around that's into bullying computer nerds. Instead, I'm just perfectly ignored.
Morning!
I'm all alone.
Oh, and apparently she's a total hottie!
A handsome girl in an all-girls school, that's great!
I heard that she's amazing at sports and is aiming for the nationals.
She's here on a full scholarship and the director had to pull some strings to get her in here.
That seems a bit much, huh?
Ah, the volleyball ace?
Right. Get in your seats.
ガラッ
Spacing out
Even if I am a loner, I still listen in on others' conversations.
But I didn't make the connection to what they were talking about.
Huh...?
ざわ♡

Umm... Why?
Why do I have to watch over her?
I guess you could say I'm dense.
... What!?
W- What!?
Because you're going to be roommates, of course.
It was posted on the message board two weeks ago.
I don't want to hear that you were unaware.
Huh...? No...

So THIS is what comes of my being holed up in my room...!!
what a handsome girl..
Kyah!
she's intense.
B- But I...
Umm...

Well, you're the only one who had an open spot in their room. There's no changing it now.
Let her know all about the dorm rules, too.
You could've at least told me in person beforehand...
I would've changed rooms at any time...
I'm kinda jealous.
Right?

I hope we can get along well, Kurucchi!

I just can't... bring myself to like this girl.
Kuru-cchi...?
Kyah!
Let me, too!

How it's like this during every single break.

The most painful moment on day one.
What's your favourite food?
Sword-fish!
What school did you transfer from?
Shima!

The most painful moment on day two.
Mmm ...
How she tosses and turns in her sleep.

Pi-Pi-Pi
Fwah?

The most painful moment on day etc...

How about soccer!?
You have to come fill in for the Judo club!
Lacross is fun! All you have to do is come watch, okay?
Are you interested in track and field, Todoroki-san?
That's not fair!
I'm somewhere around here.

glance

Uhmm ...

I don't want to join a club with people who bother others!

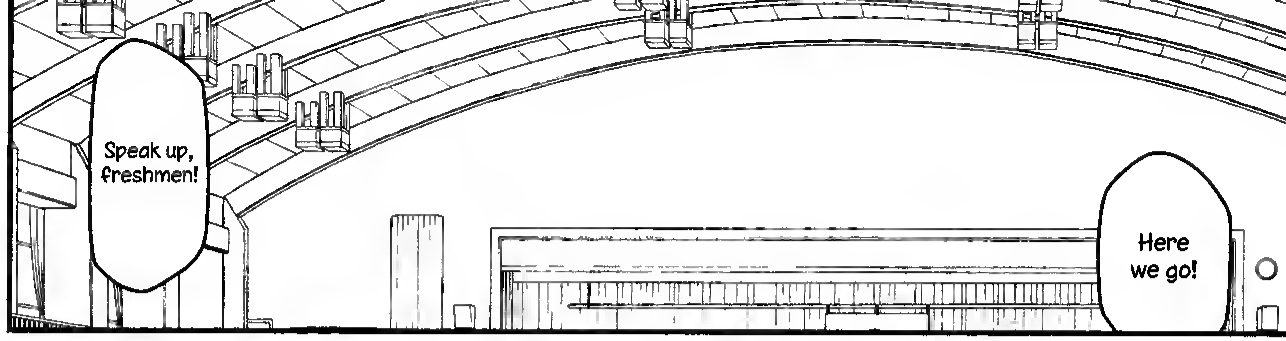
So, I'll have you guide me on over to the gym!
.....



Here we go!
Speak up, freshmen!

No, no, thanks for coming!
We heard about you from the coach and the scout.

Maybe I should just go back to my room...
SIGH...
Well, not like it has anything to do with me.
Ah, what's she gotten into now...?
Okay, I'm gonna toss the ball up.
Yup!
Err...? You're going to play like that?
ドリーッ
ビカッ

She looked so brilliantly beautiful as she soared through the sky
I-I'll just... be nice and quiet here on Earth... so...
Could you just ignore me like everyone else?
... I can't jump as high as you can
Wanna give it a try?
It put me in a miserable mood

Please! From now on, just...!!
So...!
Isn't it more enjoyable to be with everyone else instead of me? Quit fussing over me!
WAIT, WHAT'S GOING ON?
Hmm?
Well, that way would be...
Ahh. Will I be able to return to my old peaceful life now?
I think I was a little too harsh...
Spread out your arms!
Umm...
.....
THERE!
Dizzy...
Ah... Right!
Good!

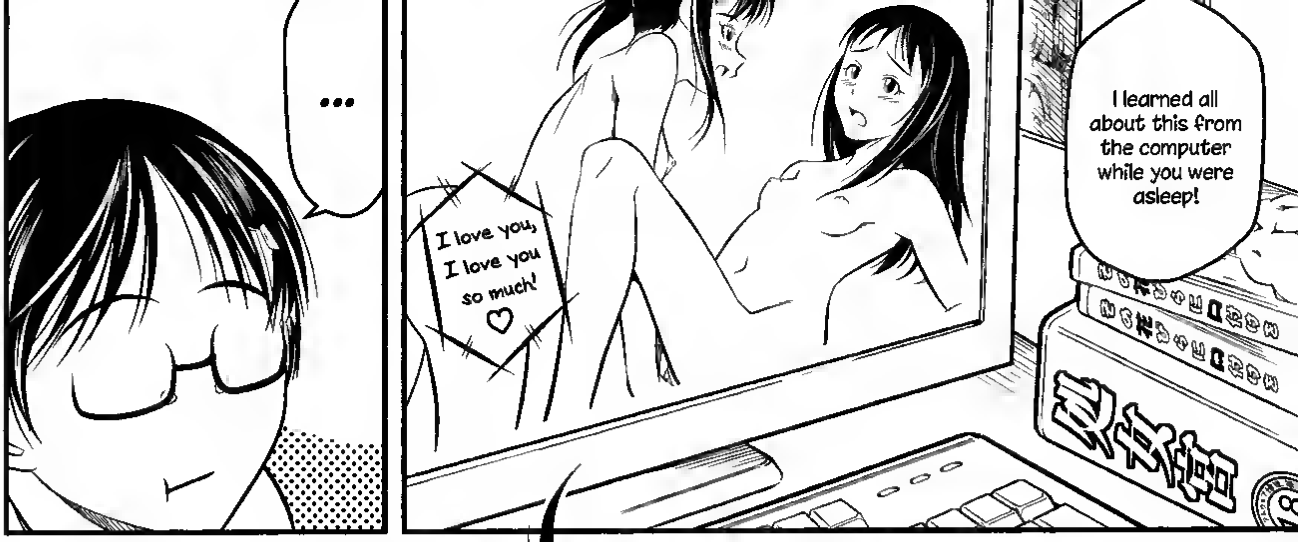
...
Ahh!
Whoa!
Ohh!
It feels like I'm spinning.
Errr...
Well!? Does it feel like you're flying!?
Todoroki-san...?
.....
Damn it! That's no good, then!
That leaves me one choice!
By any chance, is this girl
OOTH!

an idiot or something ...?
Maybe it's because I'm seeing it from a different point of view...
Hehe
So...
but school seems different now
would you be my friend?
Huh!?
We're already friends!

Oh, right...
Of course...
Ohh, I see... ♡
Ah, well. Most likely...
Where are we?
Don't worry! I've got this!
ピヨーン
WE'RE NOT FLYING, WE'RE FALLING!!
ドスッ...

I fainted for the first time in my life.
Huh...?
How did that feel!?
I saw her there in the light of the monitor. She looked sad.
I awoke to a dimly lit room.
Kurucchi, do you have a thing for me?
TURN...
Y-Yes!?
Kurucchi...

I want to go on dates with you and get married and stuff, Kurucchi!
スッ
Huh!?
No, uh... I-It's not like I dislike you, but...
Ugh...
Blus
sshh...
H-Hold on. This is all really sudden.
What!?
Lean...
So we should start things off by having sex!

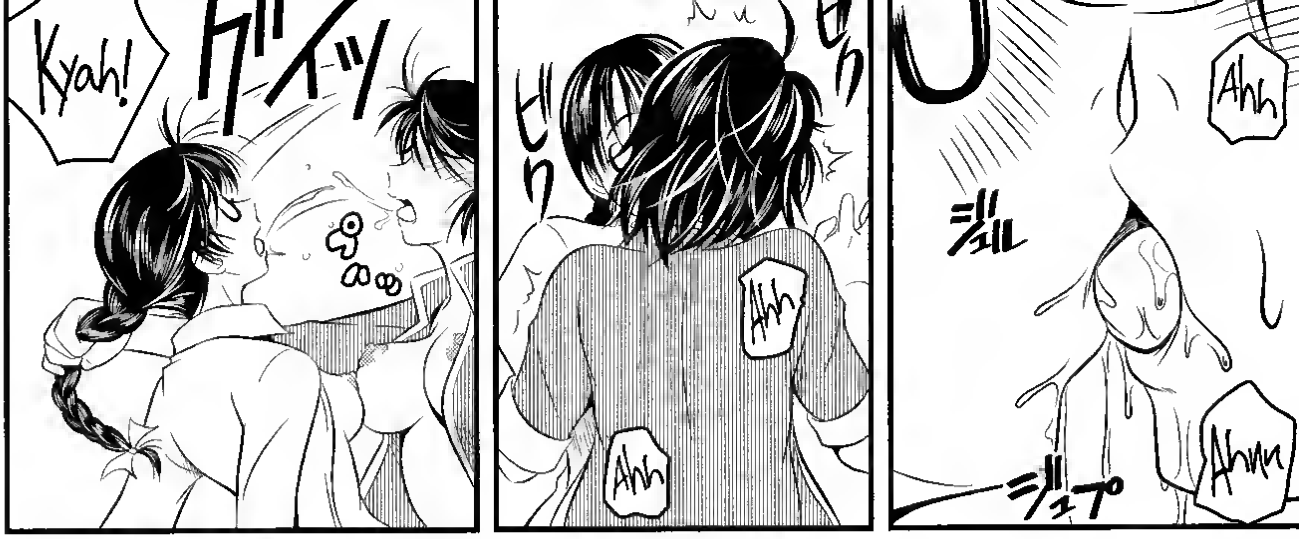


...
I love you, I love you so much!
I learned all about this from the computer while you were asleep!

It feels like I unknowingly gove o deodly weopon to o fool...
Well, she's not wrong...
And you absolutely have to have sex with her!
You're supposed to go on dates and get married to the girl you love.

I think I'm...
Sigh...
Computers are seriously amazing! It teaches me things I don't know! What a wondrous device.
Grr!
Um, all that... I mean, it's just a game, so...

I thought it was great that I had avoided sex all this time. But, honestly...
getting used to how she acts.
Hehe
Lean...
But I think I can handle it for a little while... right?
I'm not yet prepared to live out the rest of my life
being spun around by her assertiveness and straight-farward affection.
Mm
Nnf



Kyah!
Ahh
Ahh
Ahh
Ahhn

Ufufufu...
Rin-chan-san, there's something very important for you to learn here.

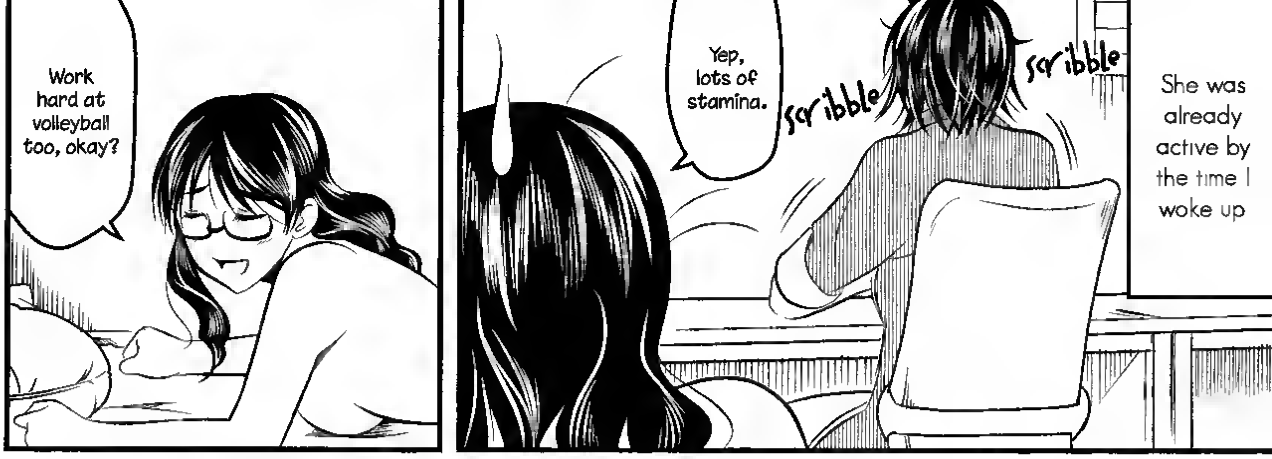
This feels so good it's scary.
Hah
Could we save the rest for another time?
Hah

There are some things you can't pump the brakes on after you get started.
K-Kuru-chi?

Ahh...
Fwahh
Lick
Slurp
Not there, not there!
Here, right? Is this where you like it best?
Schlick
Some strange feeling is coming to me again.
It's coming!

Anyway, the next thing we can do...
I-I'm sorry! I've just been stressed out recently.
DIZZY
You're a bigger bully than I thought, Kurucchi.
Move your hand just like I am.
And then press your hand against my clit, like this.
...Yeah.
Really!?
You don't want to have your way with me again?
is make both of us cum, okay?
...Kuru-cchi!
What is it?

W-Wait, I'm not...
Huh...?
I'm almost there already.
I can't! I can't wait!
Ehhh!?
Ah!!
I guess she must have more stamina since she's so good at sports
I ended up making her cum three times before she got me off



Work hard at volleyball too, okay?
Yep, lots of stamina.

She was already active by the time I woke up

I'm going to devote my school life
Ahhhnnn!

I'm not going to play volleyball!
